

Terms and Conditions for the upload of airport scenery submissions to this gateway

By choosing to upload an airport scenery submission to this gateway, I declare the following are true:

I grant Laminar Research rights to use, modify, and redistribute my contribution under the terms of the Gnu Public License version 2. I will not seek remuneration in relation to this or any other submission that I make to Laminar Research via this scenery gateway.

That the airport scenery submission is my original work, or my rework of an airport scenery file previously downloaded from this scenery gateway, or a scenery file that is the work of another artist who has provided explicit permission for me to upload this airport scenery submission.

That I will abide by any decision made by Laminar Research and/or the Moderator(s) of this airport scenery gateway in relation to this airport scenery submission.

That the upload of an airport scenery submission does not guarantee it's inclusion in any current or future release of X-Plane.

That I assume all responsibility for any deviation by me from these terms and conditions, and that Laminar Research is not liable for any deviation by me from these terms and conditions.
